Good afternoon SJS Community,

Week 3 of remote learning is complete. I am amazed that we are this far in to this journey - it feels like both yesterday and a lifetime ago that we were together. I am not sure that makes sense, but maybe it resonates. Thank you again for all that you to support your child's education and growth and St. John School in general.

Some important updates:

-Report Cards are now available on RenWeb for grades 1 through 8. I am going to use the email function next, so you should also receive a link to the report card. You may want to check your SPAM/JUNK since this email will come from RenWeb. This is the first time we are doing this, so fingers crossed!

-Due to security concerns, all Zoom sessions for SJS will require passwords starting next week. Teachers will be reaching out with passwords and possible new links. I will work on updating the master schedule and send it out next week.

-Spanish will be moving to Zoom sessions for Kindergarten through grade 5 next week. See below for Wednesday times. We will send out Zoom links next week.
-10:00-10:30 - Grades 4 and 5
-10:30 - 11:00 - K and Grade 1
-11:00- 11:30 - Grades 2 and 3

-A reminder that specials for all grades are optional and should be seen as enrichment. The only exception is middle school Spanish, which should be treated as any other middle school subject and will be graded.

-Canton families who plan to utilize Canton Public School buses next year must fill out the attached "Pay and Ride Program Application." The application needs to be mailed to: Canton Public Schools, Transportation & Enrollment Coordinator, Rodman Administrative Building, 960 Washington Street, Canton, MA 02021.

-Click here for the Canton Catholic Community E-Newsletter.

Have a great weekend!

Chris
