Dear Sean,

Please thank the staff and students of St. John's School for their very generous \$800.00 contribution to St. John's Conference of the St. Vincent de Paul Society. This donation will enable us to meet more requests for assistance especially during the upcoming winter months.

Also thank the staff and students for the wonderful food baskets given out today. As a Vincentian yourself, you know firsthand how difficult times are these days. The monies and the food will certainly go a long way in making the Christmas season brighter for some very special people in the community.

The Society of St. Vincent de Paul is made up of men and women who offer person to person service to individuals and families in need. Some of the needs addressed by Vincentians include housing, utility assistance, and access to food and clothing. Vincentians are aware that our time and talents are to be used helping our brothers and sisters in need.

Thanks again and Merry Christmas to all!!!

God bless,

David J. Keyo  
Treasurer
