

Before School Program

The Before School Program will begin on Tuesday, September 2, 2014. The program is available for children in grades Pre-K- Grade 8. The program runs from 7:30-8:15a.m. Monday through Friday. If there is a delayed opening for any reason the Before School Program will be cancelled for that day.

At 8:15 a.m. the students in prekindergarten through grade five will be escorted to the school yard and students in grades six through eighth will be allowed to go to their classrooms. **The cost is \$8.00 per hour, per child, per day.** You will be billed bi-monthly. Checks should be made payable to **St. John the Evangelist School**. When sending in your payment please be sure to keep the invoice for your personal records. Any family who has an outstanding balance of \$300 or more will not be allowed to send their child (ren) to the program until their bill is paid in full.

All families participating in the Extended Day Program will be required to sign a behavior contract. When in Aftercare all children are expected to act appropriately, show respect in their words and actions at all times and treat others as they would like to be treated. More details will be included in the contract.

Please fill out the form below and check the number of days you think your child may attend the program per week. You will only be billed for the days that they attend, but for our planning purposes we would like to have an idea of whom to expect.

Questions regarding the Before School Program should be directed to **Mrs. Amy Shields** who is the coordinator of this program. You can reach her at amy.shields@sjscanton.org or call the school directly at 781-828-2130.

After School Program

The After School Program will begin on Tuesday, September 2, 2014. The program is available for children in grades Pre-K- Grade 8. Extended day services are available on full school days from 3:15-5:30 p.m. **It is not offered on days with a 12:00pm dismissal.**

The cost is \$8.00 per hour, per child, per day. You will be billed bi-monthly. Checks should be made payable to *St. John the Evangelist School*. When sending in your payment please be sure to keep the invoice for your personal records. Any family who has an outstanding balance of \$300 or more will not be allowed to send their child(ren) to the program until their bill is paid in full.

All families participating in the Extended Day Program will be required to sign a behavior contract. When in Aftercare all children are expected to act appropriately, show respect in their words and actions at all times and treat others as they would like to be treated. More details will be included in the contract.

A small snack (e.g. pretzels or a granola bar) will be provided, but please provide your child with a drink. The children will meet in the Art/Music Room at the dismissal of each day and a teacher will be present upon their arrival. The schedule for the children is as follows: upon entering the classroom the children settle in, attendance is taken, and children quietly eat their afternoon snack. Students are allowed to play games quietly as well as work on their homework. If the weather permits the students will be able to go to the playground or to the gym (when available) to play and enjoy some physical activity. When you arrive to pick up your child there will be a note on the door indicating if the children are still in the gym or on the playground. Children will bring their backpacks with them so that they are ready to be picked up at the designated time.

When picking up, parents will be asked to sign their children out so that everyone is in agreement on the time noted. Please be respectful of the teacher's time and make sure that you pick up by 5:30 p.m. and not later than that time. If you pick your child up after 5:30 p.m. there will be an additional charge. In case of an emergency, the school will be providing a pre-paid telephone where the teacher on duty can be reached. Please only call if it is a true emergency. The Aftercare phone number is **617-347-8184**.

Questions regarding the After School Program should be directed to Mrs. Amy Shields who is the coordinator of this program. You can reach her at amy.shields@sjscanton.org or call the school directly at 781-828-2130.
