

Dear Parents,

I am proud to say that the girls from St. John the Evangelist School will be participating in the organization, *Locks of Love*, for the eleventh year!!!! *Locks of Love* is a non-profit organization that provides hairpieces to children 21 years and younger suffering from long-term medical hair loss. There is a minimum requirement of 6 inches in order to participate, measuring the hair from ponytail elastic to the end of the ponytail. Curly hair can be pulled straight to measure 6 inches.

This year I have made appointments at Salon Monique for **Monday, April 13th** at 1:00pm. The haircut is free for the cause, **but please have your daughter bring a tip for her hairdresser**. Since the girls are making such a big sacrifice we like to recognize them for that, so before we leave for the salon we have all the girls in the school gather together and we will introduce the girls donating hair. Once their hair is cut we visit the classrooms so the students can see their sacrifice! We take pictures of the girls and send them to the local newspaper. The girls will be treated to ice cream after the salon. We will be walking to the salon, and Giovanni's, and then back to school. Please sign the bottom portion and have your daughter return it to me no later than **Monday, April 6th**. Thank you and I am so proud of all the girls who participate! Please look at the website www.locksoflove.org for complete details!

Please have your daughter dress in purple and denim on the day of this event. For the third year we are donating in support of Mrs. Jean Kelleher, who we loved so much!

Sincerely,

Mrs. Dow

I am aware that my daughter, _____, will be donating her hair on **April 13, 2015**. I give her permission to walk with Mrs. Dow to Salon Monique and to Giovanni's Ice Cream Shop.
